2007

Backflow Prevention Device Inspectors

The New Hampshire Department of Environmental Services does not certify backflow prevention device inspectors. It requires these devices to be inspected by certified inspectors and currently all inspectors in New Hampshire are certified by the New England Water Works Association (NEWWA). A listing of currently certified New Hampshire inspectors can be obtained from the NEWWA website at www.newwa.org.

For Additional Information

Please contact the Drinking Water and Groundwater Bureau at (603) 271-2513 or dwgbinfo@des.nh.gov or visit our website at www.des.nh.gov/dwgb. All of the bureau's fact sheets are on-line at www.des.nh.gov/dwg.htm.

Note: This fact sheet is accurate as of October 2007. Statutory or regulatory changes, or the availability of additional information after this date may render this information inaccurate or incomplete.
